

# COaC @ Ellerton 2011

*"To encourage one another and build each other up"*

*Dear friend*

This year's camp takes place from Friday 8th to Sunday 10 July 2011 at Ellerton Water Park near Scorton ([www.ellertonpark.com](http://www.ellertonpark.com))

This is a family friendly camping weekend with water activities and a CAMP FIRE MEAL.

It's a very relaxed and chilled out weekend, where families can socialise have fun and perhaps do something different.

We take over a large area of a field at Ellerton and form a tented village with communal areas, kitchen, quiet area (for reflection, prayer and individual space) and a kids only tent for colouring and games.

In addition we can offer canoeing, kayaking and rafting sessions for all ages and abilities. We do, of course, provide all the necessary equipment and instruction.

In previous years other activities have included:-

Whittling demonstrations

Star gazing

Kite flying

toasting marshmallows on a camp fire

and ball games, just to name a few

If you haven't been before and are unsure of what to expect please contact one of COaC's members and have a look at Ellerton's website.

Please note that places are strictly limited and allocated on a first come basis.

Hope to see you there

*All at COaC*
